

## SOBERTOWN - By Paul Schreuder

I'm living back here in Sobertown  
But there's a price on my head  
I need to take two steps back  
If I wanna get three ahead

I hope that there's better tomorrows  
Than my train wreck yesterdays  
Living right in the here and now  
That's a price I'm willing to pay

To be here in Sobertown  
Working hard in Sobertown  
I know I'll struggle back in Sobertown

Sarah's taken up dancing  
Bobby's got brand new shoes  
All those little decisions  
So much easier with a new attitude

I hope that there's better tomorrows  
Than my train wreck yesterdays  
Living here in the right and now  
That's a price I'm willing to pay

To be here in Sobertown  
I'm living in the real world one careful step at a

time

No chemical walking cane I'm gonna leave the  
past behind

Don't take the turn to relapse avenue

Don't take the turn to relapse avenue

Don't take the turn

Don't take the turn to relapse avenue
